

DA™ LED Chip Product Family End-of-Life Notification

Customer Name: Chips 4 Light GmbH
Customer Contact: Dr. Wolfgang Huber
Customer E-Mail: wolfgang.huber@chips4light.com
Address:

PCN Reference Number: CreeLED-PCN-5319
Date Issued: 18-May 2022

Be advised that Cree LED will no longer manufacture the DA LED Chips product family. Please review the key End-of-Life (EOL) details below.

Affected Product

All DA LED bins and kits, including DA2432™ standard and automotive kits recently ordered by Chips 4 Light.

Suitable Replacement Product

Cree LED is developing a larger sapphire-based flip chip as a potential replacement. This chip is tentatively named SA2575 and is approximately 250 x 750 um with AuSn bond pads for Flux Eutectic Attach. Preliminary data and sample availability is targeted for Sep 2022. Please contact your Cree LED Sales representative for additional information and sample availability.
